

Q. Why take a PSAT/SAT Preparation class?

Unlike in years past, today most serious students preparing for their college education are taking a preparatory class to increase their college entrance exam scores. These students will have an advantage over those who do not take one.

Desirability for higher college entrance exam scores are straight forward and generally fall into one of the three following categories:

1. To pass the admissions standard for the college of your choice,
2. To gain acceptance into the honors program, or
3. To reduce the cost of out-of-state tuition
4. To qualify for scholarships

Q. When should you take a preparatory class?

A. The sooner the better.

- As a **Senior**, to score higher on the SAT in order to qualify for admissions and scholarships,
- As a **Junior**, to compete for National Merit Commended, Semi-finalist, and Finalist status and the increased scholarships that come with it,
- As a **Sophomore** and/or a **Freshman** (*as long as the student has completed Algebra I*) because:
 - ✓ The course content is jam-packed, and it is unlikely ALL the information will be retained from taking the course only once.
 - ✓ The mathematics, critical reading skills, grammar, and vocabulary taught in the course help students in their regular academic courses, potentially increasing GPA.
 - ✓ There is a much higher probability of achieving National Merit status when the course is taken two (2) or even three (3) times. Most of my Commended students, National Merit Semi-finalists, Finalists, and students making perfect scores have taken the course at least twice.
 - ✓ There is higher probability of achieving one of numerous other scholarships (over \$180 million!), including American Indian Graduate Center and American Indian Graduate Center Scholars (AIGC and AIGCS), Asian and Pacific Islander American Scholarship Fund (APIASF), Hispanic Scholarship Fund (HSF), Jack Kent Cooke Foundation (KCF), and United Negro College Fund (UNCF), plus many other institutional and private scholarship opportunities.
 - ✓ Some students begin preparing as **Eighth Graders**. (*Completion of Algebra I is a pre-requisite.*)

PSAT SAT ACT Preparation Classes - 2021

New SAT/ New PSAT (College Board Exam) Preparation Classes for high school students (grades 9-12) will meet once a week for eight (8) weeks. Eighth grade students who have completed Algebra 1 may also enroll. The Preparation Course includes an Orientation Class, summer vocabulary/grammar quiz mail-ins, and the 8 two-hour classes, two books, and weekly class packets of practice exercises. The cost for the PSAT/SAT Prep Course is **\$500.00**. *

***TCS students who register and pay in full on or before May 1st receive a \$150.00 discount.**

Early registration with full payment is just \$350.00 OR for \$750 for Prep Plus (details highlighted below).

Prep Plus (Optional):

To be prepared for the New SAT, a *limited number of students* are invited to take advantage of a **one hour private tutorial each of the 8 weeks of class**, for an additional **\$400.00**. Tutorials will be scheduled weekly on an individual basis. Sessions are designed to be personalized, stand-alone, tutorials as **we will review that week's completed practice test and offer any extra help needed to excel.**

ORIENTATION: Student **and** parent attendance is **highly recommended**. Guests are welcome. Choose one Orientation session:

- **Tuesday, April 13th, 6:00-7:30 pm at Science Etc., 4736 Bryce Ave., Fort Worth, TX 76107 (Connell Baptist Church)**
- **Tuesday, April 20th, 6:00-7:30 pm at Trinity Christian Academy, 4954 I-20 Frontage Rd, Willow Park, TX 76087**
- **Tuesday, April 27th at Grace Preparatory Academy, 3300 West I-20, Arlington, TX 76017, or**

****online orientation is available upon request, but materials will need to be picked up by the student****

TUITION BALANCE: If not paying in full by May 1st, the **balance amount of \$300.00 or \$650 is due at the first August class**. Please understand that providing low priced, small, effective classes does not allow for refunds for missed classes, whether planned or unplanned, however, missed classes can be made up during that week at any of the other locations.

GENERAL INFORMATION: The Prep Course addresses all three sections of the New SAT/New PSAT. Math is now 1/2 of the test; the Writing/Language and Reading sections together equal only 1/2 of the test. The **Writing/Language** preparation includes review of punctuation, grammar, sentence structure, and common usage errors. The **Reading** preparation includes an intense vocabulary study (including Latin and Greek prefixes, suffixes, and roots), as well as a study of successful test taking strategies. The **Math** preparation reviews geometry, the more extensive algebra covered on the SAT, and data analysis. Also taught, are time saving shortcuts and helpful strategies, such as back solving and using special numbers. Prep also includes interpreting relationships presented in graphs and tables, which is necessary for success in all three sections of the tests. General test-taking strategies are also taught. Weekly assignments include readings, vocabulary memorization, reworking math problems, and mastery of class notes. SAT/PSAT Practice Tests taken at home are an integral part of this course, providing the student an opportunity to practice newly learned skills. The Orientation Class, Writing Class, and summer vocabulary/grammar memorization schedule are designed to help students accomplish as much work as possible before the busy fall semester begins. **The 8-week Preparation Course, is designed with the most effective timing in mind for PSAT and SAT. Classes begin the week of Monday, Aug. 2nd and finish Saturday, September 25th.**
