INTRODUCTION

Welcome to Temple Christian School and to the Home of the Fighting Eagles! TCS is a school with a long tradition of academic excellence, spiritual emphasis, and athletic success. God has truly blessed TCS because the school has always endeavored to keep Him and His Word at the center of everything that is done. We are a school with definite goals and purposes for existence. TCS is widely recognized for having a staff dedicated to training Christian young people to face the world with a "God-centered" philosophy of life. You will find our school loving, fair, firm, and honest. We expect the same of our students and families.

Each of our staff has a love for young people and a calling from God as his/her motivation for being at TCS. It is reflected in their daily dealings with you. Please come and meet the fine Christian young people at our school. We invite you to join our happy, active, growing student body.

Sincerely,
Neil Childs, Headmaster
Dorothy Stringer, Superintendent

TO THE PARENT/GUARDIAN

This handbook has been prepared to explain and clarify the procedures, policies, and regulations at Temple Christian School. These policies are in effect as written or as may be amended during the year. You are urged to contact a TCS administrator if you have any questions.

HISTORY

Temple Christian School was founded in March 1973 by the members of Temple Baptist Church. These members believed the spiritual training of a child was just as important as his/her academic, physical, or emotional development. They desired to establish a Christian school that would excel in academics and, at the same time, provide a child with the Bible training necessary for proper character building and moral uprightness.

The members believed a Christian school should be Christian in every aspect of the word; so they employed truly qualified Christian teachers. They initiated discipline based upon the Bible to mold the character of the students. The church members chose textbooks advocating biblical morality and teaching biblical Creationism. They opened the doors of the church, so the students could meet in a clean, wholesome environment. These members established a school that truly upheld God's principle: "Train up a child in the way he should go and when he is old he will not depart from it" (Proverbs 22:6).

The members also believed a Christian school should be "first class" in every detail. They did not "cut corners" to achieve "instant success." They interviewed many teachers and employed only the best. The members purchased the best available textbooks. They remodeled old buildings and built new ones that were practical but, at the same time, attractive and clean in appearance. Curriculum was chosen that would be not only exciting to the students but also challenging and profitable. The belief is that all parents who invest in the ministry of Temple Christian School should receive a fair return for their investment.

Temple Christian School is now a separately incorporated organization but continues to be affiliated with Temple Baptist Church and use the facilities of Temple Baptist Church and to adhere to the basic tenets upon which the school was founded over four decades ago.

FACILITIES

Temple Christian School is located on a beautiful, sprawling 28-acre campus on Randol Mill Road, 1 block east of Loop 820. The modern classrooms are all air-conditioned and carpeted. The academic program is enhanced by a science lab, library, art room, computer lab, and band hall. The administration building provides office space for the school. Chapel services and special programs are held in the church auditorium or other designated locations. Athletic facilities include a football stadium, baseball field, softball fields, gymnasium, weight rooms and a field house.

MISSION STATEMENT

"Inspiring the passion to learn, the courage to lead, and the commitment to serve"

Temple Christian School exists to impact the lives of this generation of young people. Our goals for every student are:

- To know the love of Jesus Christ through example and teaching; to learn the importance of showing this love to others.
- To acquire a lifestyle of Christian character, morality, respect, and responsibility.
- To participate in acquiring the finest education attainable in a school whose expectations are constantly being increased.
- To be provided with a wide variety of co-curricular opportunities conducted in an atmosphere and with attitudes and behavior that exalt Jesus Christ.

We exist for no other purpose and we will be satisfied with nothing less.

DOCTRINAL STATEMENT

Temple Christian School adheres to the doctrinal position of its founding church, Temple Baptist Church. The main purpose for Temple Christian School is to train young people to better serve and experience the love of Jesus Christ.

We believe in and teach these basic principles:

About God

We believe in one God who exists as Father, Son, and Holy Spirit.

About Jesus Christ

We believe that Jesus Christ is God the Son, virgin-born, died on the cross, resurrected from the dead, is coming again, and is the only way to heaven.

About The Holy Spirit

We believe that the Holy Spirit lives in every Christian, provides power for living, gives understanding, and provides guidance for doing what is right.

About Human Beings

We believe that all people are created in the image of God but became alienated from God through sin, and as a result, need salvation.

About Salvation

We believe that salvation is a gift of God to all who receive it. Only by trusting in Jesus Christ can anyone be saved. (The Good News)

About Eternal Security

We believe God gives people eternal life through Jesus Christ. We believe this life cannot be gained, kept, or lost by humankind.

About Eternity

We believe that people will exist eternally either separated from God in Hell or in union with God in Heaven.

About The Bible

We believe the Bible was verbally inspired by God and without error in the original writings and has been supernaturally preserved throughout history. It is the supreme authority in all matters of truth.

About The Church

We believe that the church is the body of Christ. We believe all Christians are to be in covenant with a local body of believers.

About Human Sexuality

We believe that God's design for human sexuality is the marriage of one woman to one man. All sexual practices outside of God's plan are sinful.

SCHOOL BOARD

The School Board of Temple Christian School shall seek to shepherd the spiritual, financial, and leadership health and mission of the school. This self-perpetuating body shall be appointed by a majority vote of the current Board and shall maintain a voting majority comprised of the Leadership Team of Temple Baptist Church. School Board meetings are not open to anyone except Board members and administrators. The Board operates as the final authority in legal and financial matters and as an advisory board in the day-to-day operation of the school.

ACCREDITATION

Temple Christian School is accredited by the Accrediting Commission of the Texas Association of Baptist Schools (ACTABS). ACTABS is recognized by the Texas Education Agency (TEA) as an approved accrediting organization. The TEA no longer accredits any non-public school but recognizes certain accrediting associations such as ACTABS.

FACULTY

The teachers at Temple Christian are among the finest faculty found anywhere in Texas. Each of our teachers has completed his/her college training to equip him/her for the task of properly training students. The men and women chosen to teach at Temple Christian Elementary, Middle School, and High School are certified either by the state of Texas, by the American Association of Christian Schools, or another qualified accrediting agency, or are in the process of obtaining that certification; or are teaching in the area of their college major or minor.

Teachers are qualified not only because of their training, but also because of their own personal standards and their proper relationship to the Lord. Our teachers are dedicated to the ministry of teaching and have the child's best interest at heart.

Staff information is available at www.tcseagles.org.

NONDISCRIMINATORY POLICY

Temple Christian School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

1. Schedule changes at mid-semester will be made only with written permission from the parents, teachers involved, and the guidance office.
2. Students will be allowed to arrange for an approved change of schedule during the first week of each semester.
3. Classes cannot be added after the second week of a semester.
4. A schedule change will not be permitted if it means undue disturbance of the class size balance between sections that are in place at that time.
5. All class changes must be made through the counseling office.

FAILURE POLICY

Any high school student who fails any class with a final semester average below 70 will be considered deficient in that subject. Such failure may result in a student being placed on "Academic Probation". Academic probation is designed to give the student encountering such academic difficulties the opportunity to correct any problems that may exist. By complying with the conditions of their probation, the student may restore his/her status as a student in good standing at Temple Christian School.

Students placed on Level 1 Academic Probation:

1. Must not receive any failing grades on the next nine-week grade report.
2. Must complete and turn in, on time, all work required in his/her courses.
3. Must schedule a conference with an administrator after every 9-week grading period.
4. Must adhere to any additional provisions tailored to the individual student's situation.

Should a student on Level 1 Academic Probation fail to adhere to the requirements listed above they may be placed on Level 2 Academic Probation. Students on Level 2 Probation have the possibility of repeating a grade, required remediation work during the summer or not being eligible for re-admission to TCS.

For students on either level of Academic Probation, repeating the failed semester before the start of the next academic year will be required. A high school deficiency must be repeated through a recognized institution which has been approved by the TCS administration. Each high school semester is treated as a separate unit. In summer school, Temple Christian offers many subjects for those students who desire to complete their deficiencies on campus. Failure to complete a deficiency may result in a repeat of a grade level or denial of readmission to Temple Christian School for the next academic school year. A senior must have all deficiencies completed before going on the senior trip or graduating from Temple Christian School. (In middle school, similar evaluations are made with the exception that they are based on full year's grades.)

GRADES

Grading of students is a complex and very individual process. The grading philosophy at TCS is that students are graded upon individual achievement as measured by their performance against an established norm, not in direct comparison with peers.

The administration reserves the right to require any student to repeat a course if mastery of the material is not demonstrated (even if the student has a passing grade) and that course in a prerequisite for a future course.

Grade Reports are available on RenWeb at the end of each 9-week grading period.

Student Grades are available on www.Renweb.com

Unsatisfactory Progress Notices may be sent on major tests

GRADING SCALE

GRADUATION REQUIRMENTS

Temple Christian School requires 30 credits for graduation. (Includes 4 credits in Bible. Students enrolling after their 9th grade year will not be required to make up missed Bible credits). Seniors must have satisfied the requirement for 80 hours of community service during their 4 high school years at Temple and meet all graduation requirements to participate in graduation ceremonies. (Transfer students are required to complete 20 hours of community service for each year they are enrolled at Temple.)

Every student enrolled in Temple Christian Schools is expected to complete community service hours every year in attendance. For high school, these hours will be organized by the Community Service Coordinator. These hours will be completed by performing services on and off campus. Community service hours will be recorded by the secondary office. In order to complete required community service hours, students may have to earn hours outside of school.

Realizing that service to our community is vital, Temple encourages students to participate on their own and with the school to serve others as Christ served others: unconditionally.

Additionally, potential valedictorian or salutatorian candidates must have consistently adhered to the TCS conduct expectations during their tenure at Temple Christian School (refer to the Student Handbook for more information).

Valedictorian and Salutatorian must provide, to the headmaster, a copy of their graduation speeches four days prior to Graduation Day

HOMEWORK

Elementary School Homework

Elementary students should have no more than 10 – 15 minutes multiplied by their grade level (15 minutes for first, 30 minutes for second, etc.). Goals and philosophy expressed in the “Secondary Homework” section are also applicable to Elementary grades. Elementary students coming to school with incomplete homework will usually be required to attend Homework Remediation until 4:00 in the Elementary Hall and will receive 80% credit for the assignment.

Secondary School Homework

Temple Christian Secondary School believes that homework is an integral part of the secondary school experience. The teacher is at liberty to give homework to aid the students in advancing their studies. Each student is required to complete his homework assignments on time.

Failure to hand in assignments the day due will result in 6th- 8th grade students being required to attend Homework Remediation from 3:10 until the missing homework is completed. Students will be allowed to notify parents of the required late stay as soon as an incomplete assignment is noted. If the assignment is not completed by 5:00, the student will be required to submit it upon arrival at school the following morning or be placed in “In School Suspension” until it is completed. The student will receive 80% credit for the assignment if it is turned in the next day and 60% credit if it turned in two days late.

Students may be placed on Academic Probation if homework problems persist. Students scheduled for Homework Remediation period who do not report as required may receive detention, suspension or expulsion. Students will be excused from required Homework Remediation only in the case of extreme emergencies and only with prior approval of the Principal. Homework Remediation is intended for incomplete homework only. It is NOT intended for projects, long term papers, etc. Incomplete is defined as having enough work not finished which would cause a failing grade.

High school students will be sent to Homework Remediation and will receive 50% credit. Any work later than one day for high school students will not be given credit but will still be required to finish. Freshmen will follow junior high Homework Remediation procedures the first semester of the year but will then fall under high school rules the second semester.

Homework is given at TCS for several reasons:

1. **Reinforcement** – most students require review to master material essential to their educations progress.
2. **Practice**- Following instruction, homework may be given so the material will be mastered.
3. **Remediation**-As weak areas in a student's grasp of material become evident, homework may be assigned to overcome such difficulties.
4. **Special Projects** – book reports, compositions, research assignments, etc. are given as homework.

Homework for secondary students should average no more than 20 minutes per subject each night for the average student. Special projects may occasionally require additional time. There will be **no** Wednesday night homework and **no** tests scheduled on Thursday, so students are not tempted to stay home from church. Exception to this may be during 9-week and semester testing periods when Thursday testing may be necessary. *Dual Credit students do not fall under the above homework or testing policies. Instructors will inform these students of specific requirements.*

HONORS CLASSES

1. Students may qualify for selected honors classes. Space is limited and access to these classes is not guaranteed. Seven points will be added to the numeric average of students taking these classes (this is reflected on the student's transcript only). GPA in these classes is calculated on 5.0 scale.
2. To be admitted to an Honors Class, a student must have earned at least a 90-yearly average in the subject the prior year. To continue in honors courses, students must maintain a minimum of an 85 average.

DUAL CREDIT CLASSES

Students must take classes in the Temple Christian School classroom or through dual-credit. An exception would be if a student has a scheduling issue that will not allow needed class; or is a student has not earned the credit in the classroom and must remediate through another method in the summer. Exceptions to this policy must be approved by the Academic Committee.

FAILED REGULAR TEST POLICY

Secondary students who fail a regular test may be given the opportunity to raise the failing grade to no higher than an "70" by doing a re-test or project which shows mastery. Test corrections or tutoring will not be allowed to raise a test grade. Retests will be graded as all regular tests - deducting points beginning at 100 - but no grade higher than a "70" will be recorded for a retest on the student's record. Grades may be raised by retesting, once during a quarter. Should a student fail a retest, the higher of the two failing grades will be recorded. Students are not required to avail themselves of the opportunity to raise their grades through this means.

MAKE-UP WORK/TEST

1. The student is allowed one (1) day to make up work from a one-day excused absence. If a test had been previously assigned on the day of absence, the student must be prepared to

take the test on his/her return to school. Time allowed for make-up work for multiple absences will be determined based on need.

2. A student who is absent from school for any reason other than those listed under "Excused Absence" may not be able to make up work and may receive "0's" for classes missed. Exceptions can only be granted by the Academic Committee.
3. Students should go to their teacher and ask for make-up work as soon as they return from an illness. In case of an extended illness, the parent may view the assignment on www.RenWeb.com. Parents without internet access may call the office to request make-up work for a student before 10:30 a.m. Assignments may then be picked up in the office after 3:00 p.m.
4. Exception to above policies: Major research projects, papers, assignments assigned at least 3 weeks ahead of due date shall have the following deductions if handed in late:

1 day late – credit for 80% of regular grade

2 days late – credit for 60% of regular grade

3 days late – credit for 50% of regular grade

4 or more days late – projects will receive a "0"

REPORT CARDS

1. Report cards will be emailed at the end of each nine-week period. Students entering school after the school year has started must be in school at least 4 ½ weeks prior to the date report cards are issued to be entitled to receive a report card.
2. At the end of the fourth quarter parents may pick up hard copy report cards, diplomas and achievement test scores in the school office, after final statements are paid. Final records, will be available for pick up after June 1.

SEMESTER TEST EXEMPTION POLICY

Exemption from semester testing is a privilege, not a right. Math, English, Science and Bible are core courses at TCS, and students are not allowed to be exempt in these classes. Students in grades 6-12 will be exempt from any or all non-core subject semester finals if they meet the following requirements:

To be considered for semester test exemption all the following criteria must be met:

1. A minimum of 85 average semester grade (average of 1st and 2nd 9-week grades) in all non-honors classes. A minimum of 90 average in all classes labeled as "Honors" and receiving the extra Honors grade points (+7).
2. May not have received more than 5 "Homework Remediation" assignments considering all classes together during the semester.
3. May not have received more than 3 assigned fines during the semester.
4. May not have received more than 5 unexcused tardies to any one class during the semester. (More than 5 to any one class disqualifies a student from exemptions for all classes.)
5. May not have more than 5 absences per class during the semester or the test for that class must be taken.
6. May not have received ISS or OSS during the semester.

- Semester tests will be given over three days as scheduled by the administration. Testing periods will be 60 minutes in length.
- Students exempt from any test are not required to attend school during that subject's testing period.
- If it is deemed necessary, the administration may exclude any student from test exemption due to disciplinary action.

STUDENT HONORS AND AWARDS

1. **Honor Rolls** – Students who make an "A" grade in every subject will be listed on the "A" Honor Roll. Students with all "A" or "B" grades will be listed on the "B" Honor Roll. The 7 points given for Honors classes is not considered when determining Honor Roll recipients. (The 7 points only apply on the student transcript). Because of the scheduling of award recognition ceremonies before school the final day of school, last quarter grades will be evaluated, and included in determination for this recognition, before the end of the 4th quarter. Conduct grades will not be considered in determining honor roll students.
2. **Perfect Attendance** – Any student who is in attendance each school day and is tardy no more than two times will receive a certificate of perfect attendance. Family days do count against a student's perfect attendance record.
3. **Citizenship Awards** – These are presented to students in grades 6-12 who display outstanding citizenship throughout the year. Students will be selected by the faculty and administration. Students must attend all year to be eligible for these awards.
4. **Academic Awards** – Awards are presented in the different academic areas to the students who excel in those areas. Students must have attended Temple Christian School for the entire year to be eligible for major awards.
5. **Athletic Awards** – Participation certificates are awarded for students in each sport. Special awards are given by the coaches to students who excel in a particular sport. The Eagle Awards are given on the varsity level to one boy and one girl who best exemplify a Christian athlete.

TEXTBOOKS-SECONDARY

Secondary students (6th -12th grades) are required to purchase their own textbooks. Books may be purchased through any vendor you choose. MBS Direct is a vendor that the school works with directly. A link to their online store is available on the TCS website under Academics. All students are required to have their books on the first day of classes. E-Books are allowed unless noted on the Curriculum List. If using E-Books students must use a tablet or laptop, E-books may not be accessed via a cell phone. If you have questions about this list, please contact Mrs. Stringer at dstringer@tcseagles.org.

TURNITIN

All Temple Christian School secondary students must submit any written assignment of 3 pages or more to "Turnitin". (<http://www.turnitin.com>) is leading academic plagiarism checker technology used by teachers and students. This service provides online plagiarism detection, and grammar check. In an era where pirating or theft of another's work is quite common, Temple Christian School wishes to stress the importance of original work and academic integrity.

A student may only submit work through this plagiarism checker service one time within a 24-hr. period. It is wise for students to complete assignment with time to submit the assignment twice: submitting once to check their work to make corrections and the second time for submission of the assignment to the classroom teacher.

Plagiarism Percentages permitted:

- 8%: 11th - 12th grade “Honors” courses
- 10%: 11th -12th grade regular courses
- 12%: 9th -10th grade “Honors” courses
- 15%: 9th-10th grade regular courses
- 20%: 6-8th grade course

TRANSCRIPT INFORMATION

1. Courses will be included in the GPA and course credit shown on the transcripts that are taken at a community college for dual-credit.
2. Courses will receive honors credit, including all transferred AP credits (if credits are identified as AP on the transferring transcript).
3. Honors classes receive an additional point on GPA value and 7 points on numeric value.
4. Incoming transcripts with a non-compatible credit system may limit TCS’s ability to consider all value or provide adequate class rank or may not be put on the TCS transcript.
5. Honor math students must take at least five years of high school math.
6. TCS students may not take exterior courses to advance beyond their grade level. The only exception to this rule is that the student who is not in the honors math class may, upon the approval of the administration, take classes that will allow him/her to enter honors math.
7. Homeschool credits are accepted for admission to TCS but homeschool courses will not be accepted to be put on the transcript once a student has been admitted to Temple Christian School.
8. TCS does not rank students. The top 5 graduates are identified.

TRANSFER STUDENTS

Transfer credit is given only for completed work. Transfer students who maintain an overall "C" average or better during their first semester at TCS will be able to transfer all grades at full value. However, if an overall "C" average or better is not maintained, a "D" will not be transferred.

III. ATTENDANCE POLICIES

1. General Information:

- a. Regular school attendance is a vital part of a student's academic success. Students must be in attendance for at least 90% of the days school is in session during a semester in order to receive credit for a class.
- b. Students who have accumulated more than the allowed number of absences during a semester may, for extenuating circumstances, present a written appeal to the school.
- c. The deadline for making such an appeal is the last day of the semester in question. Alternate ways, such as make up days during the TCS Summer School or assigned projects, may be made available to students who need to make up work or regain time lost because of excessive absences.

2. Other Valid Days

- a. **Family days**-Family days must be pre-approved by the student's principal. Please email the request. Days may not be used during major testing periods, i.e. regular tests or finals. BMA must be said before a family day may be taken. These days are counted as excused absences and do disqualify a student from perfect attendance awards.
- b. **College Days**-Seniors are permitted 5 College Days per year. Juniors are permitted 2 college Days in the Spring Semester only. College Days should be pre-approved by the guidance counselor two weeks before scheduled day. Students must bring a note on university letterhead saying they visited that campus on that day. College Days may not be taken during semester examinations. If BMA will be missed due to a college day the BMA must be said prior to taking the college day.
- c. **Senior Release**- Some seniors may qualify for early senior release if they meet the following requirements:
 1. The student has written approval from the principal and parents. The necessary form is in the guidance office.
 2. The guidance counselor has ascertained that the student will have necessary courses and credits for graduation upon successful completion of enrolled courses.
 3. When a student leaves, he/she cannot return to school that day except for a required, school-related activity or to provide transportation for a sibling.
 4. Dress requirements must be maintained when leaving campus.
 5. A student who does not maintain the acceptable academic requirements will be placed on a three-week probation. At the end of the three weeks, his/her progress will be re-evaluated, and the early release privilege may possibly be denied.

Procedure for Reporting Absences

1. When a student is absent from school due to illness, the parent or guardian is requested to telephone or email the appropriate school attendance office on the day of the absence between 7:30 and 10:00 a.m. The call/email does not constitute an excused absence.
2. The parent or guardian must send a note or an email on the morning of the student's return in order for the student to be considered for an excused absence. However, any absences not cleared with written verification three (3) days after a student returns will become unexcused.
3. Students will be excused for illness, a death in the family, and doctor or dental appointments.

Unexcused absences may result in academic penalty

Permission to Leave School

Students who must leave school during the school day must sign out in the Attendance Office with acknowledgment by the attendance clerk. In order for the student to receive authorization to leave school, he/she must present a written request to his/her period 1 teacher or the school office. The parental request must:

1. Identify the need for release from school.
2. Designate the pick-up area for the student to meet the parent.
3. Specify the exact time for early dismissal.
4. Unanticipated emergencies are dealt with on an individual basis.

Truancy

Students are considered truant when they are absent from school or any of their classes without following the attendance guidelines. Students without passes who are out of class a portion or all of the period are considered truant. Truancy constitutes an unexcused absence. Disciplinary action will be taken.

Re-Entry during the School Day

1. All signing in or out must be acknowledged by the attendance clerk. Students signing in must receive a pass to be admitted to class.
2. When signing in after a doctor's appointment, a student is required to bring a note from the physician or parent.

Closed Campus

Students are not to leave the school property during the school day, except in cases of early dismissal or after proper procedures are followed for checking out of school. A student who does not sign in or out, or does so without approval of the attendance clerk, will be considered truant from school and will receive an unexcused absence for each class missed. Exceptions to this are seniors and juniors who may periodically be granted off campus lunch privileges.

Tardiness

Secondary

1. When a secondary student is tardy (unexcused) for the third time to the same class during a nine-week grading period, a 30-minute detention will be assigned. On the 4th tardy during any 9-week quarter, a 45-minute detention will be assigned. On the 5th tardy, a 1-hour detention will be assigned. The 6th tardy to the same class will result in ISS for 1 day. (Semester test exemption will be lost at this time.) Additional tardies will necessitate a parent conference to determine the student's future status at Temple Christian.
2. Any student (6-8) tardy (after 8:20) to 1st period will be fined \$5.00 for every 5 tardies received in a 9-week period. Any student that receives more than 5 unexcused tardies to any one class during the semester will be disqualified from semester test exemption.
3. Students are allowed 3 excused traffic tardies per semester.
4. Students tardy to school must report to the attendance clerk to obtain permission to enter class.

Note:

- Students that have excessive absences may not be able to attend field trips and or community service trips. This will be decided by administration.

Elementary Tardiness

After the third unexcused tardy, elementary students will receive a fine or a detention depending on parent's choice.

WITHDRAWALS AND DISMISSALS

Withdrawals – Withdrawals from school must be made through the administration office. Any account left open will incur additional tuition and fees until a withdrawal is signed in the office. School records will not be released until all financial accounts are paid.

Dismissals-Students will be held out of class if the family fails to keep their financial agreement with the school. A student may be dismissed from school or un-enrolled at any time he/she is found out of harmony with the rules and policies of the school.

High school students must accumulate at least 80 hours (minimum of 20 hours per year) of community service hours to graduate and are given multiple opportunities throughout the school year as well as being expected to take initiative on their own. Students may begin accumulating hours the summer after their 8th grade school year. A year is defined as the last day of one school year to the last day of the following school year. (For example, 5/19/2017-5/25/2018) **Community Service hours must be turned in within three (3) months of completion to be counted towards hours. 1. Every activity has a two-week grace period before deciding to drop that activity. If a student drops an activity after the two-week grace period, the following actions will be enforced:
 - a. Middle school may not participate in the next activity until the dropped activity has finished.
 - b. High school may not participate in another activity for a full calendar year from the time they dropped the activity.
2. Students must show proper respect for the authority set over them (Officials, coaches, directors, etc.). If a student's attitude becomes unacceptable, his/her participation may be reviewed by committee.
3. All students must obey parking/driving rules at home or away. Students are never allowed to drive their vehicles down to the playing fields. They must park in the student parking lot.

A student with a failing grade for any 9-week period will be restricted from any contest, concert, game, etc. The exception will be graded activities that have prior approval from the eligibility committee.
6. A student is considered to be ineligible on the day his/her nine-week report or report card is issued with a failing grade on it. A student with failing grades may not participate until three calendar weeks have passed, and the grade has been brought up to passing. (See eligibility requirements.)
7. If a high school student is participating in the TCS sports program, he/she must participate in an off-season class.

Any conflicts within the TAPPS scheduled events that compete with another TAPPS event must be reviewed by the eligibility committee.

11. Students that receive more than 3 hours of detention in a 9-week period will be suspended from all activities that occur during the next three calendar weeks.
12. All students must read the TCS Athletic Handbook and/or TCS Fine Arts Handbook found on the school website, www.tcseagles.org.

CONDUCT AT TCS SPORTING EVENTS

It is important to realize most of us have grown up in an atmosphere of athletic competition different from that in Christian schools such as TCS. As such, it is sometimes difficult to acclimate ourselves to the "strange" atmosphere of Christian athletics. One of our first jobs with new athletes at TCS is to "educate out" some of the attitudes and philosophy instilled in them by professional and other sports. We coach our young people to win and be winners, but, more importantly, to be Christians at all times.

Part of our philosophy of Christian athletics is that no opposing team is an "enemy" to be downgraded or harassed. We also teach that no official is ever doing anything but his best and, as one in authority, deserves our respect and obedience. Our young people must be taught that those in authority are always to be respected, not just when we agree with them.

For this reason, that we at TCS require, among other things:

1. No downgrading or yelling at or against the opposing team. Yell for ours but never against the opponent. Players are prohibited from "trash talk" to opponents.
2. No display of disagreement, at any time, for any reason, with official's decisions and no criticism of officials verbally, physically by expression, or in any way, for any reason, at any time, by any one.

Penalties for players violating these tenets include suspension or removal from the team. Our goal is for TCS teams and fans to be recognized as having the very best Christian sportsmanship. This is the highest tribute possible for the Christian character of our youngsters and the success of our program. It is far more important for the character development of our athletes than whether we win or lose. No athletic event ever played is worth risking a person's Christian testimony. We request from all our many loyal and invaluable supporters that you assume individual responsibility to adhere to the same guidelines as our students do. We request this both because it is the right thing to do; because it sets the right example for our youth; and because the leagues and Christian circles in which we play expect it of our fans and players if we are to continue to participate

FAILURE POLICY/CO-CURRICULAR PARTICIPATION

One of the primary goals of TCS is to assure all students are progressing academically at a pace which would ensure their graduation with a comprehensive Christian education. Should a student fall behind in school work, the school feels the student's full attention should be directed to bringing their studies up to satisfactory levels. Because of this the school enforces academic eligibility requirements for participation in all extracurricular activities.

A student must maintain academic eligibility to participate in any competitive athletics at any level; cheerleading; choir competitions or off-campus performances; band competition or performances which are off campus or are conducted in connection with any competitive event (i.e. performing at football games); Spring musicals; Youth in Government or similar competition; and competition or off campus performances or activities by any other extracurricular club, organization or activity (including such groups as NHS, NJHS, CLC, etc.). Eligibility requirements are not enforced on students leading or participating in chapel or worship services conducted on campus or on students attending field trips during the school day. (Managers or helpers in any area must also maintain eligibility).

Any student who fails one class at the end of a grading period will be suspended from competition or performance participation for three weeks. The student may continue to practice during this time.

- The grading periods are the first nine weeks, first semester, and third nine weeks. Progress reports do not impact eligibility.
- Suspension will begin on the day report cards are issued.
- Grades are evaluated by the principal and/or athletic director three weeks after report cards are issued. If the student is no longer failing the class, eligibility is restored.
- If, after the three-week ineligibility period, the individual is still failing that class, he or she will be ineligible for one additional week. Eligibility will be restored if the student is no longer failing the class. If the student is still failing the class, grades will then be checked at one-week intervals until the student is passing.
- Any student who is ineligible due to grades or detentions cannot miss any classes or school days to attend a co-curricular event.

CHAPEL POLICY

Secondary students attend chapel each Wednesday. Elementary students attend chapel on appointed days. All students are to bring Bibles to chapel. Students are to sit in their assigned sections. Students should take care of all restroom and personal needs before coming to chapel.

VII. STUDENT STANDARD OF CONDUCT/DISCIPLINE POLICIES/HONOR CODE

STANDARD OF CONDUCT

The school follows its discipline procedures contained in this and other handbook sections. However, there are circumstances in which the school administration and/or board may determine, in their sole discretion, that it is appropriate not to follow progressive discipline steps. In cases in which a student has engaged in egregious, immoral, or other unacceptable behavior, the school reserves the right to suspend or expel the student immediately. Parents and students should understand any guidelines contained herein that are applicable to the off-campus behavior of the students are always expected of enrolled students.

All 6-12 grade students and parents must sign and agree to this Standard of Conduct before a student will be accepted. The basic underlying philosophy of Temple Christian School is that a Christian School should be Christian in every aspect of the word, including its students. Therefore, the students attending Temple Christian School in grades 6-12 are asked to sign a statement agreeing to basic Christian principles which have proved conducive to spiritual growth and development of young people.

The administration and faculty of Temple Christian School feels that the following activities are important in the lives of teenagers and are vital to well-rounded spiritual growth:

1. Regular church attendance at their home church
2. Participation in a youth program in church
3. Maintain Christian standards of courtesy, morality and honesty

The administration and faculty of Temple Christian School feels that the following activities do not promote the spiritual growth of the students; therefore, each student must refrain from these activities, at all times, as long as they are enrolled in Temple Christian School. Students involved in the following practices may not be permitted to attend Temple Christian School.

1. Using tobacco in any form
2. The use of electronic cigarettes or vaping of any kind
3. Drinking alcoholic beverages
4. Using illegal drugs of any type including marijuana
5. Involvement in serious moral offenses or homosexuality in any form
6. Illegal activities which involve arrest and prosecution (other than traffic violations)
7. Involvement in gangs or gang related activity
8. Leaving parent or guardian's supervision for an extended period
9. Involvement in the occult
10. Sexting

Temple Christian School does not admit nor retain students who:

1. Are married
2. Have been married

The restrictions listed on the standard of conduct are not intended to condemn those who disagree, but they point out types of conduct which we feel would hinder the ministry of TCS.

Students are expected to abide by these standards for the entire period of their enrollment at TCS. Students who are not in harmony with TCS may be requested to withdraw. We do not accept or retain teenagers who do not want to attend TCS. All new students are admitted on 9-weeks probation.

During the pre-registration conference with a TCS administrator, students and parents should be prepared to discuss other aspects of applicant's lifestyle and background.

Parents should also understand that parental display of attitude or behavior detrimental to the atmosphere or function of Temple Christian Schools may be grounds for un-enrollment or dismissal of the student. It should also be understood that discipline involving any student except their own child cannot legally or ethically be discussed with a parent. The same legally mandated protection extends to matters involving school staff.

EAGLE HONOR CODE

The “Eagle Honor Code” expresses the basic expectations of all students of Temple Christian Schools. An overview of such expectations follows. Students and parents should understand and agree that these basic principles (further explained in the School Handbook), will be enforced by the TCS Administration and the Christian Leadership Council.

RESPECT: I will at all times respect God. I will adhere to rules established by the school and governmental authorities. I will respect the property of others and do nothing detrimental to it. I will show respect for my instructors and school staff at all times and understand that disciplinary action will and should be taken should I fail to do this. I will respect and treat my body as the dwelling place of the Holy Spirit and assure my appearance at school and all school functions will not only willingly comply with the dress code of TCS, but also reflect Christian modesty and values.

RESPONSIBILITY: I will assume leadership among my peers in setting an example of Christian responsibility. I will acknowledge the importance of academic work and its timely and accurate completion. I will willingly submit myself to the authority of TCS staff. I will realize my responsibility, as a Christian, to my God. I will strive to discover my God-given talents and use them for others. I understand attendance at TCS is a privilege – not a right, and as such, I will have and develop a spirit of pride in and loyalty to the school.

RELIABILITY: I will practice honesty in all matters of word and action. I will not lie, cheat, or steal, nor will I tolerate those who do. I will assure that my spoken word is such that all whom I may contact will come to trust and rely upon it.

RELATIONSHIPS: I will remember at all times that nothing except my relationship with God and my family surpasses in importance my relationship with fellow students and TCS staff. I will avoid harmful or derogatory gossip, name calling, threatening, bullying or hurtful criticism. I will never exhibit any prejudice toward any individual because of his or her gender, ethnicity or nationality, possible sexual orientation, physical or mental condition, or religious background, and will not use slang or other language, nor activities, designed to express prejudicial views. I will endeavor to lift up my fellow students. I will always be mindful of the importance of building a relationship of mutual caring and trust with my instructors.

RIGHTEOUSNESS: I will endeavor to always be a positive example in all areas of morality, service to others and faithfulness in church attendance. I understand morality encompasses, among its many areas; sexual behavior, avoiding profanity or vulgarity, and adherence to the high standards for Christians set by Jesus Christ.

I understand my commitment to these Eagle Honor Code principles is applicable whether at school or away, during vacation times, and in my communication via computer, social

networking sites, cell phone or other electronic devices or other means of communication. My goal and desire is to always reflect what a true Christian young person should be. I understand that the TCS Christian Leadership Council may at times be involved in assuring I meet these and other Honor Code goals. I understand these goals are further stated and expounded in the School Handbook and agree to read and abide by all these principles. I understand my responsibility to abide by such rules and regulations. I understand rules and regulations may change from time to time and such changes will not relieve me of the responsibility to abide by all TCS regulations, now and in the future, as long as I am a student at Temple Christian School

- **Cell Phone Usage**- Elementary students are not to have electronic devices or cell phones at anytime. TCS permits secondary students to carry cell phones during the school day. Cell phones, tablets, and other devices should be used only between classes and during lunch. Middle school students may not have their phones or other devices during lunch. If a teacher sees a student with a phone, tablet, or other device at any other time, he/she should

take the device and turn it in to Secondary office. The office will give the student a fine, keep a log of offenses and submit the fine money to the High School office or the business office. Should such a device be taken from a student by a staff member the student may retrieve the device from the secondary office 7th period or later after paying a **\$25 fine for the first offense; \$35 for the second offense, and \$50 for the third and each one thereafter.** The only exception to this policy is on school trips (see Field Trip section). Other electronic devices used during class require teacher approval.

10. Fighting/assault/bullying

Sexual Harassment

Students will not engage in verbal or physical conduct of a sexual nature directed toward any person at any time. Such actions may result in immediate disciplinary action and/or prosecution by the appropriate law enforcement agency. Sexting may be considered sexual harassment.

Sexual harassment may also include any physical conduct, or verbal innuendo-whether implicitly, or explicitly, sexual in nature – which manipulates, intimidates, controls or in any way creates a hostile/offensive environment for another person. Sexual immorality, on or off campus, may be cause for immediate expulsion from TCS.

Right of Privacy

There should be no expectation of, and there is no right of privacy. Temple Christian School reserves the right to monitor any computer or electronic device usage or communication on the TCS campus.

Any activity which, in the opinion of the school, jeopardizes the reputation of the school, whether on or off campus (at all times), may result in the offending student being subject to disciplinary action up to and including expulsion. Such activities specifically include postings on web sites, social networking sites, cell phone or other electronic communication of any type, etc. Parents should understand that the school will not in any way be responsible for any event that is not officially sanctioned by the School Administration. Parents should check with the administration if they are in doubt as to the sanctioning of any event.

Unfortunately, we live in a violent society permeated by drugs, alcohol, and other mood altering substances. We are grateful to the Lord that TCS has had few problems in these areas. However, it is our responsibility to be eternally vigilant. Parents of students should be aware that the school reserves the right to search the student's person and belongings in the event the school suspects the student possesses an unapproved item or substance. Such a search may be conducted without the student's or the parent's permission. Registration of a child constitutes parental consent to such searches. Automobiles, backpacks, purses, pockets, lockers, desks, etc. may be searched if there is reasonable suspicion that any unapproved item or substance may be present. Any student refusing such a search will not be forced to comply. However, refusal is grounds for dismissal from school and/or referral to law enforcement officials. School officials will not conduct "strip searches" but may require access to pockets, etc.

Drug Testing

TCS reserves the right to conduct random drug testing of any and all high school students throughout the year. Student and athletic leaders and CLC members are always tested throughout the year. Other high school students are tested on a randomly selected basis.

Any student suspected of using illegal drugs may be requested to undergo specific drug testing for any or all illegal drugs. Parents will always be contacted in such cases. (Parents are not contacted prior to routine random drug testing.) Refusal to undergo said testing is grounds for dismissal from school.

Should the student take and pass the specific test, all costs will be paid by the school. Should the student fail either the random or special drug test and the student or parents question the results, they may request the same sample be re-tested at a medical facility at the parent's expense. Under no circumstances will the student be allowed to submit a new sample for re-testing. Any student testing positive for drug use may be expelled from Temple Christian and may be referred to legal authorities.

Bullying

We believe it is every person's right to feel physically and emotionally safe while at TCS. Bullying can take the form of harassment, hazing, or a variety of other acts. Bullying is engaging in written or verbal expression of physical conduct that will have the effect of physically harming a student, damaging a student's property or placing a student in reasonable fear of harm. Harassment is threatening to cause harm or bodily injury to another student, engaging in sexually intimidating conduct, causing physical damage to the property of another student, subjecting another student to physical damage to the property of another student, subjecting another student to physical confinement or restraint, or maliciously taking any action that substantially harms another student's physical or emotional health or safety.

Other acts of bullying or harassment can consist of assault, tripping, intimidation, rumor spreading, demands for money, destruction of property, theft of valued possessions, destruction of another person's work, name calling, ostracism, taunting, or excessive teasing.

Cyber bullying

Is defined as the use of information and communication technologies to support deliberate, repeated, and hostile behavior by an individual or group that is intended to harm others. Cyber bullying is when a child, preteen, or teen is tormented, threatened, harassed, humiliated, or otherwise targeted by another child, preteen or teen using the internet, interactive and digital technologies or mobile phones.

Acts of bullying, harassment or cyber bullying will be dealt with by the school administration. Actions may include intervention, warning, detention, suspension, or any other disciplinary action up to and including expulsion.

Social Media: i.e. Facebook, Twitter, Instagram, Snapchat, etc.

Information contained on any TCS student's internet spaces such as "Twitter", "Facebook" or any other similar public social networking website, or digital communication of any type, (even sites blocked by the student) is the ultimate responsibility of the student's parents. Any information on these websites that is confirmed by the TCS administration to be inappropriate, vulgar, disrespectful, or exhibiting non-Christian like values will be dealt with promptly. Students should not take or post pictures or videos of TCS students, faculty, or staff without their express verbal or written permission. TCS is not responsible to access the evidence for the parent. However, if it is possible to do so in a timely fashion, the school will cooperate as much as possible if the parent requests it. Penalties for violation of school standards in these areas can involve discipline actions up to and including expulsion.

STUDENT CONDUCT

The Administration reserves the right to prescribe any assigned penalty as deemed necessary for a given infraction. Furthermore, the Head Administrator reserves the right to amend any provision in these guidelines at any time when it is deemed to be in the best interest of the educational process and the student.

TCS reserves the right to dismiss, expel, or un-enroll any student whose actions, attitude or presence is considered detrimental or brings dishonor to TCS.

Further, students may sometimes be involved together in wrongdoing, and punishment may be more severe for some than for others. Administrators and the Disciplinary Committee carefully consider each student and his or her part in the situation individually. Sometimes, serious behavior may seem to go unpunished or appear to be punished too lightly. In these instances, action may be delayed by insufficient evidence. There may also be an ongoing effort to sift through rumors and hearsay to determine what is indisputably true. When disciplinary action is taken, a student may be put under a strict behavior contract with very serious consequences for breaking it, the details of which are not public information.

Parents should understand that no disciplinary action taken against any student may be discussed with them except for that administered to their own child. This is absolute and in response to legal and ethical requirements.

TCS VEHICLE POLICIES

The following guidelines are listed for those students who wish to drive a motor vehicle to school or to school functions:

1. Students driving to school are not permitted to stay in their vehicles after they arrive on campus.
2. Upon arriving on campus students are not permitted to leave again until the end of their school day.
3. Students will not leave campus in their vehicles at any time during the day without permission. (Medical or dental appointments should be scheduled at the beginning or end of the day if possible.)

Parking:

1. Students may park only in designated parking spaces in the west parking lot. If these areas prove inadequate, additional spaces will be provided. Do not park on grass, on the opposite (trailer park) side of the gym lot barriers, next to the cafeteria, or in any undesignated space. Observe all signs.
2. All students and staff parking vehicles on the TCS campus during the school day must apply for and display a TCS Parking Permit. The permit is available in the high school office. A fee of \$5.00 will be charged to students for the permit. Any vehicle without a visible permit will receive a fine of \$10.00.
3. Vehicles parked in non-designated areas, parked illegally, or on campus without a permit may be subject to a \$25.00 parking fine. Lots will be checked regularly.
4. Remember, TCS has a closed campus policy. Once you leave your vehicle you may not return until the end of the school day. Athletes should leave their cars parked on the regular lot during practices. Do not drive to athletic areas.

Driving:

1. With elementary students around on all areas of the campus, it is always important a strict 10 MPH campus speed limit be observed. No "peeling out" or reckless driving will be tolerated.

2. Violations of speed limit or reckless driving rules will be assessed \$10.00 for first violation, \$25.00 for second (and a 2-week suspension of driving privileges) and \$50.00 for third (and suspension of driving privilege for the remainder of the year).
3. These regulations are in effect at all hours of the day.

DISCIPLINARY ACTION

Detentions

Detentions for disciplinary, dress code violation, or academic purposes are not designed to be convenient for the student or the student's family. They provide a teaching opportunity for the student to learn that his/her behavior and responsibility affects not only himself but also the family and others. Detentions cannot be served on Tuesday mornings.

1. Detentions will be assigned for the following morning for secondary students. Elementary detentions will be served after school. Failure to serve an assigned detention may result in a student being withheld from classes.
2. Detentions may be assigned for 15 minutes, 30 minutes, 45 minutes, or one hour. The amount of time will be indicated on the detention notice.
3. **Students receiving more than 3 hours of detention in a nine-week grading period may be placed on disciplinary probation and/or be suspended from sports or other co-curricular activities.**

Detention is served in the morning before school for secondary students. A student serving a 15- or 30-minute detention must be in detention by 7:30. A student serving a 45 minute, or 60-minute detention must be in detention by 7 am.

This handbook does not define all types and aspects of student behavior; however, the Administration has the responsibility to set forth policies, rules, and regulations to help each student.

Additional disciplinary action may include in-school suspension, out-of-school suspension, probation, de-enrollment, or expulsion from school.

Fine system

TCS uses a fine system for certain minor violations or problems. All fines are \$1.00/\$5.00 except those for unapproved possession of electronic devices (phones, iPods, etc.) which begin at \$25.

1. Items brought to the Lost & Found that have a student's name on them will be returned to the student. Your bill will be charged \$1.00 per item returned, each time it is returned. Items without names will remain in Lost & Found until Friday. Every Friday, uniform items without a name will be given to the uniform store to be resold. All other non-uniform items will be donated to Eastside Ministries.
2. Electronic devices will be confiscated if used by a student or it is a disruption of class in any way during school hours (including incoming calls), and fines must be paid for devices to be returned. Habitual violation or disruption during confiscation may result in devices not being returned. This decision will be at the discretion of the administration.

Electronic devices may be allowed on certain off campus field trips at the discretion of trip sponsors. Electronic device use may be allowed at other specified time as determined by the school administration. Electronic devices taken up during the school day may not be picked up until the end of the school day. Electronic devices taken up in the elementary department should be picked up from the elementary office at the end of the school day. They may be returned when student pays a \$25 fine for the first offense, \$35 for the second offense, and \$50 for third and any additional offenses. Elementary students may not have cell phones at any time.

3. Five-dollar fines are issued for: chewing gum, excessive tardiness, unlocked lockers/locks not on lockers, and certain other violations. (Parking and reckless driving fines are more, see Student Vehicle Policies)

Students receiving more than three fines during any one semester may receive additional penalty. On the fourth offense, a student may receive a one-hour detention and an administrator may call the parents. If a fifth fine is received, the student may be placed in in-house suspension for one day. The student may make up work for 80% credit.

Fines are recorded on the parent's Renweb account. Parents may also be notified by email. Students are required to sign fine forms.

SERIOUS DISCIPLINARY PROBLEMS

Serious offenses or continuing problems in one or more areas may result in the following disciplinary action(s):

1. **Warnings**
2. **Detentions**
3. **Probation** – Disciplinary probation occurs when a student is suspended for a disciplinary matter, or a student receives three hours or more of detention during any one nine-week period. Probationary periods typically last for 9 weeks. Student's discipline records are then evaluated at the end of the probationary period. At that point, the student's status may be lowered, raised, or left at his/her current level. Student's probationary status may be raised at any time should a serious offense occur.

TCS uses two levels of probation. Level One is the standard level of probation. Should a student be placed on Level Two Probation, their place in school will be in jeopardy if improvement is not seen.

For example, in a situation considered a "fight", the student will usually be immediately placed on Level Two probation. Further problems may then result in dismissal.

4. **In-School Suspension** – Students in ISS are separated from their classmates and put in supervised isolation. Students will complete their work being missed in class, but only receive 80% credit for work completed. ISS disqualifies a student from semester test exemptions.
5. **Out-of-School Suspension** – Students in OSS are not allowed to attend class on campus, or function in any extra-curricular activity during the suspension period. OSS days are treated as unexcused absences and work missed cannot be made up. OSS disqualifies a student from semester test exemption.

6. **Un-enrollment** – A student may be given the opportunity to voluntarily withdraw if the school determines it is not best for the student to continue enrollment at Temple. The school may also take the action of un-enrolling any student at any time. Un-enrolling does not show on permanent transcripts as a disciplinary or academic action.
7. **Expulsion** – In serious matters where a student is not voluntarily withdrawn or un-enrolled, the disciplinary committee may take the action of expelling the student. This action is recorded on a student's records.

Depending on the seriousness of the offense, some or all these steps may be omitted. Suspensions or expulsions may be appealed to the Disciplinary Committee. The Committee's rulings are final. Students or parents appear in person before the Disciplinary Committee only at the Committee's request.

Administrators, at their discretion, may decide "a disciplinary consequence" without action by any other administrator or group. All administrators reserve the right to dismiss a student.

An exception for one student does not mean an exception for all students.

Students who are expelled or withdraw due to disciplinary action are not allowed on the TCS campus at any time (including all grounds, parking lots, and buildings), nor are they allowed to attend any TCS sponsored event (academic, athletic, social or extra-curricular), either as a participant, guest, or spectator.

TCS reserves the right to bar any person – parent, student, or others – from its campus at any time for any reason the administration deems serious enough to be regarded as a physical, emotional or other threat to any student, parent or staff member.
