

**TABC Banner Program Information**  
**Updated August 2020**

On behalf of the TCS-Athletic Booster Club, I would like to thank for your support in helping us make a positive difference for our students by contributing to the TCS athletic program. At Temple Christian School, our primary goal is to train a generation of young people whose desire is to change the world with the power of the Gospel. Temple does this, in part, by having a tremendous faculty and support staff. Our teachers are dedicated to continually seeking the best practices in education and integrating a Christian worldview in all aspects of their teaching. We provide this while being the most cost effective private school in the region. Our tuition and fees are typically **half** that of other schools in our district, and scholarships are offered to help offset costs even further.

One of the ways we continue to keep our academic standards high and costs low is by partnering with businesses like yours to help fund extracurricular elements like our athletic program. The program is in the middle of an annual campaign to raise funds to improve our fields, stadium, uniforms, and equipment.

We are asking businesses to partner with us and participate in our **Banner Program**. A tax deductible donation ranging from \$75 to \$1000 will allow us to place the logo and contact information for your company on the outfield wall, gymnasium, and football stadium. The banners will stay up throughout the school year and will be personally maintained by the booster club.

**Sponsorship Levels:**

\$75 – 12" X24" Concession Stand Magnet

400 – 8'x3' Baseball Field Banner (1 Banner)

\$750 – 8'x3' All Sports Field & Gym Banners (2 Banners)

\$1,000 – 8'x3' All Sports Field & Gym Banners (2 Banners), Full Page Program Ad, & 2 Season Passes to all Home Games.
